Dean's Message

I hope to see all of you at the Mary Mozelle organ concert on April 6 at 4:00 p.m. Ms. Mozelle has an impressive biography, having served at several premier parishes in the country before relocating to Florida. She will play the Reuter organ at Trinity Presbyterian Church in Clearwater presenting works of Bach, Sowerby, Gawthrop and Mulet. See other pages for a printable flyer and other details.

You should have received the first week of March an email from AGO National regarding the new ONCARD system to pay dues and to update your personal information. Beginning the second week of March, you should be able to access the site using your login and password. At this point you can enter any changes necessary (go to *Update Personal Information* section). You may also indicate if you desire to be on the chapter substitute list.

Starting in April, AGO National will invoice you via email for the 2014-15 dues. You may pay directly the full amount to headquarters using your credit card. (There is no fee to use a credit card). National will then direct deposit our chapter's portion in our bank account. Dues will remain the same as the current year. Payment may also be made by check and sent to AGO headquarters if you prefer.

I encourage you to use the new system which I think you will find very user friendly. To login, go to agohq.org and click on the ONCARD icon. Then enter your user name--the first letter of your first name followed by your last name. (Do not include apostrophes, hyphens, or spaces). Your password is your member ID which is found just to the left of the date on the address label of *The American Organist* magazine.

The chapter directory information will come from the information you enter on your personal information page. If you have questions, or problems logging in, contact Kevin Johnson or me.
